

Step 1 - TRAIN

Watch the [Session 6 video](#). Committee members should share what they found most interesting and helpful in this teaching video on asset and legacy giving.

Step 2 - DIG, DISCUSS & PLAN

Discuss if distributing the [Bless Your Church brochure](#) could be beneficial to your church in the years to come. If yes, add it to your 12-month planning calendar.

If anyone has updates from new research on the Best Practices, share those now. Plug in the agreed upon Best Practices and resources into your [planning calendar](#).

Follow up on implementation steps for new Best Practices that were decided upon in the last session.

Since this is your final session of the Church Generosity course, take a few minutes to discuss what you've learned from the course.

Step 3 - AFTER THE MEETING

In the months to come, have people take whatever actions steps are needed to implement the Best Practices you chose at your church.

Add financial health/generosity reports to future monthly agendas. Each month, request updates and reports on the results of these initiatives.
