

### Step 1 - Train

Watch the [Session 3 video](#). While watching the video, check off Best Practices on the planning calendar that your church is currently doing along with others you and other committee members would like to research further.

### Step 2 - Discuss

After the video, everyone should share a few Best Practices they think should be researched further. People should volunteer to do further research on specific Best Practices and bring their findings back to the group for the next meeting.

### Step 3 - After the Meeting

- Email the [Church Generosity Best Practices worksheet](#) to everyone via email, as they will need access to the Best Practices links for any research they will be doing during the rest of this course.
- By next month, everyone should finish the daily readings of the 40-day [Generous Life devotional](#).
